GRANT SPONSORSHIP

A **grant sponsorship** by individuals or businesses can help patients fighting breast cancer or survivors who are needing help with some basic costs that they cannot afford and in a lot of cases must go without;

- Rent
- Utility bills
- Medical bills
- Transportation to appointments for treatment
- Prosthetics
- Wigs
- Compression bands

Why do we need your support, The Legend Foundation works closely with the Helen Graham Center, which screens and refer individuals that need financial help through our grant program.

During the year we hold various small fundraisers with our largest annual fundraiser being the Legend Classic Golf Tournament and Silent Auction.

With our relationship and track record of helping those in need, the requests have started to outgrow our financial resources.

So with that in mind, we felt that reaching out to individuals and businesses who could help even with just one **\$500 Grant Sponsorship** would go a long way in supporting those in need. We would love to earmark a specific Grant Sponsorship with your name or name/business, or you can elect to stay anonymous, we are a 501 c3 not for profit organization and your sponsorship is tax deductible.

Our Mission: The Legend Foundation is dedicated to partnering with local organizations to raise money so anyone who has been diagnosed with breast cancer can seek the best possible care without the stress of monetary concerns.

Attached, is the Grant Sponsorship form for your use or please visit our website to sign up on line www.TheLegendFounation.org.
